Great, Hilary.

I expect to have Chuck with his inflatable and a DES boat as well so there should be plenty of room.
Working on the QAPP now.

Thanks.

Hi Eric,

I have it on the calendar, which works fine for me. I will probably be bringing along a volunteer intern as well that day but I think we will have plenty of room. Hope all is going well.

Subject: Survey dates

Hi Hilary:

I'd like to hold August 4 and 5 for the clam survey. Should take only one day. Let me know if those dates still work for you.

Thanks.
Eric
